### Finding your Ink and Toner Cartridges

1. You can find your ink and toner cartridges in different ways.
  - Using the Ink & Toner Finder. Using this tool you can search by brand and/or printer model. You can enter what you are looking for manually, or from a list.

The screenshot shows a web interface titled "Your ink & toner finder". On the left, there are two dropdown menus: "Select a brand" and "Select Printer Model", with a "Clear" link below them. In the center, the word "OR" is displayed. On the right, there is a section titled "Search by Cartridge# or Printer Model" with two radio buttons: "Cartridge" (selected) and "Printer". Below these is a text input field and a red "GO" button.

- This page also displays the logos of the different brands we offer. Click on the brand of your printer to find your cartridge that way.

### Saving Your Printer

- Once you have found the cartridge you need, you will be given the option to save it for future reference. This way you will not have to look for your cartridge each time you want to place an order. Save your printer by clicking on **Save Printer**. A field will pop up, asking you to give the printer a name. Now click on **SAVE THIS PRINTER** to save your selection.

The screenshot displays the 'Your ink & toner finder' interface. It features a search section with dropdown menus for 'HP' and 'COLOR COPIER 150', and radio buttons for 'Cartridge' (selected) and 'Printer'. A 'GO' button is present. To the right, the 'Your Saved Printers' section shows 'Recent Searches' and 'Saved Printers' with a 'GO' button. A 'Name your printer' dialog box is overlaid, containing a text input field with the label 'Maximum 30 Characters' and a 'SAVE THIS PRINTER' button. Below the search area, two product listings are visible: 'Ink cartridge Nr. 45 HP black' (Office Depot Number: 444266) and 'Ink cartridge Nr. 23 HP assorted colours 650 sheets' (Office Depot Number: 444571).

- Under **Your Saved Printers** you can find your recent searches and saved printers. Select the one you need and click **GO**. You will be shown the search results for your saved printer.
